NEWS CONFERENCE: RAMSEY COUNTY PROBATION OFFICERS CELEBRATE PROBATION, PAROLE, AND COMMUNITY SUPERVISION WEEK AS THEY KICKOFF UNION CONTRACT NEGOTIATIONS

Ramsey County Probation Officers to Make Contract Demands on County Leadership for Increased Wages, Adequate Training, and Support for Improved Retirement

Ramsey County, Minn.-

On Tuesday, July 16, 2024 at 5:00 pm, Ramsey County Probation Officers and Teamsters Local 320 will host a news conference to identify and address their contract demands as they move into formal negotiations with the County in the coming weeks.

The news conference is taking place the same week as *Probation, Parole, and Community Supervision Week*. Ramsey County Probation Officers hope to draw attention to the issues surrounding probation services not just in Ramsey County, but statewide.

“The issues of adequate training, wages, and an improved retirement are issues that resonate with all probation officers and personnel in throughout the State of Minnesota,” says Gus Froemke, Business Agent and representative for the Ramsey County Probation Unit. “Ramsey County Probation Officers are leading the way and setting the tone for union probation officers everywhere. They are building momentum for their contract negotiations, the November election, and the 2025 legislative session in Saint Paul.”

Teamsters Local 320 represents 185 Probation Officers in Ramsey County.
